NOTICE

Applications are invited for **2 posts of Senior Research Fellow (SRF)** in the ICMR funded project entitled “**To evaluate the operational feasibility and performance of ‘TB Detect’ and ‘TB Concentration & Transport’ and ‘TB DNA Extraction’ kits in field settings under the ‘National Tuberculosis Elimination Program**” under Dr. Sagarika Haldar, Associate Professor, Department of Experimental Medicine & Biotechnology as per details given below:-

Detail of posts:

Senior Research Fellow - 2 positions

Essential Qualification: Post Graduate Degree in Life Sciences with 2 years research experience.

Desirable: Candidates must have hands-on experience in microscopy (AFB smear microscopy & LED-microscope). Candidates with experience in handling *M. tuberculosis*, BSL-3 work and Line probe assay will be preferred. Candidates must be agreeable to travel to different sites in different states across India.

Upper Age limit: upto 35 years.

(Relaxable in case of SC/ST/OBC/PH/Women candidate as per rules).

Remuneration: as per ICMR rules.

The engagement in the project is purely on temporary basis and co-terminus with the project. Total duration of appointment in the project is a maximum of 1 year. Please note that it is not a PGIMER/ICMR, New Delhi appointment and will not confer any right on the incumbent to any claim implicit or explicit on any position.

Applicants should report for a walk in- interview in Lecture Theatre-2, IInd floor in the Dept. of Exp. Med. & Biotechnology, Research Block-B, PGIMER, Chandigarh on 01/04/2022 at 10:30 am.

The candidates must bring their latest resume, one set of photocopies of documents (along with original documents for verification) in support of their educational qualifications, experience letter, no objection certificate (if applicable) along with a valid I-card for verification. Candidates coming after 11 am will not be entertained for interview. A screening/skill test will be conducted. All candidates should observe COVID precautions while appearing for the interview.
