Advertisement for Junior Research Fellow

Indian Institute of Information Technology Design and Manufacturing (IIITDM), Kancheepuram is an Institution of National Importance established in 2007 by the Ministry of Human Resource Development, Government of India and is located at outskirts of Chennai (Off Vandalur-Kelambakkam Road). It is a Centre of Excellence for pursuing Design and Manufacturing Oriented Engineering Education and Research and for promoting competitive advantage of Indian products in global markets.

IIITDM Kancheepuram is presently offering undergraduate, postgraduate, dual-degree programmed in the areas of Computer, Electronics, Mechanical Engineering and inter-disciplinary Ph.D. programmers in core and applied areas of basic sciences (Physics and Mathematics) and engineering. It functions with the vision to groom engineers with design and manufacturing skills. The institute gives significant amount of emphasis for practice courses and theory concepts are also explored along with the relevant laboratory course.

IIITDM Kancheepuram invites **online application** for the following research project position:

Research Project	**Investigation And Development Of Heuristics For The Large Scale Network Design Problems Using Two Level Network Topologies**
Duration of the project	24 months
Name of the principal Investigator	Dr. Venkatesh Pandiri, Assistant Professor Department of Computer Science and Engineering IIITDM Kancheepuram, Chennai – 600 127
Funding Agency	Department of Science and Technology (DST) - Science and Engineering Research Board (SERB)
Name of the Project Position	Junior Research Fellow (1 Position)
Qualification	Career first class ($>= 60\%$) with B.E/B.Tech and M.E/M.Tech in Computer Science and Engineering (or related areas, such as IT, Data Science, AI etc.) WITH VALID GATE SCORE **(or)** Career first class($>= 60\%$) with B.E/B.Tech in Computer Science and Engineering (or related areas, such as IT, Data Science, AI etc.) and valid GATE Score

Research Project	**Investigation And Development Of Heuristics For The Large Scale Network Design Problems Using Two Level Network Topologies**
Duration of the project	24 months
Name of the principal Investigator	Dr. Venkatesh Pandiri, Assistant Professor Department of Computer Science and Engineering IIITDM Kancheepuram, Chennai – 600 127
Funding Agency	Department of Science and Technology (DST) - Science and Engineering Research Board (SERB)
Name of the Project Position	Junior Research Fellow (1 Position)
Age	Preferably below 32 Years
Stipend	Rs. 31000 p.m.

General Conditions/Instructions for all posts:

1. Online applications are only accepted.

2. **Application form link:** https://forms.gle/TX7twrLuMXM611vr5

3. Indian Nationals need to apply.

4. The candidates are required to work mainly for the success of the project.

5. The position is temporary and renewable each year subject to satisfactory performance.

6. Candidates should bring self-attested copies of the relevant certificates/testimonials along with the original certificates/documents at the time of interview. The mode (online/offline) of interview will be communicated later.

7. No traveling or any other allowances is admissible for attending the interview.

8. The Institute reserves the right not to fill up the position, if it so decides.

9. The Institute reserves the right to terminate the appointment at any time before completion of the period, if it so decides.

10. No interim correspondence will be entertained.

11. Canvassing in any form will lead to disqualification.

12. Shortlisted candidates will be intimated through email

13. Last date for submission of online application is **June 26, 2022**

Place of Interview:
