

Birla Institute of Technology & Science, Pilani
K K Birla Goa Campus

Junior Research Fellow position under SERB, DST funded project

Applications are invited for the position of Junior Research Fellow (JRF) in the Department of Computer Science and Information Systems at BITS Pilani, K. K. Birla Goa Campus, Goa for a SERB, DST sponsored research project titled “A Low-power Deep Spiking Neural Network for Forest Surveillance” (CRG/2019/003534).

Principal Investigator (PI): Basabdatta Sen Bhattacharya

Broad area of Research: Deep Spiking Neural Networks for Cognition

Please see <https://www.binnlabs-goa.in/> for details on the research activities in the PI's lab.

Remaining time on the project: 6 months (until 26th February 2023)

Duration of this Fellowship: starting as soon as possible, and until 26th February 2023

Fellowship Amount (Rs.): 31,000 p/m. (where applicable, + 16% HRA)

Last date of Application: 31st August 2022

Address to apply: Interested candidates may send *application and curriculum vitae with details of research experience* to the PI via email: basbdattab@goa.bits-pilani.ac.in.

Essential Qualification: (1) GATE score (2) Masters in Computer Science and Engineering

Selected candidate will get a chance to apply for PhD degree at BITS Pilani, K. K. Birla Goa Campus (Rules of PhD program for BITS Pilani are applicable)
