

Advt. No. WII/AECB/BH/CIA-Castlerock/2022

Advertisement for engaging Project Personnel on Contractual basis

The Wildlife Institute of India is an internationally acclaimed Institution, which offers training program for government and non-government personnel, academic courses and advisory in wildlife research and management. The Institute is actively engaged in research across the breadth of the country on biodiversity related issues.

The Wildlife Institute of India, Dehradun invites application forms for engaging the different Project Personnel for the project titled “**Cumulative Environment Impact Assessment on wildlife habitat and ecological values due to proposed doubling of railway track from Tinaighat to Kulem in the northern Western Ghats**”. The period of recruitment will be for 12 months.

Field Sites: Forest areas of States of Goa and Karnataka in northern Western Ghats

The EQ, DQ, age, monthly emolument and other details of the Project Personnel are as follows:

S.No.	Name of Post	Number of post	Qualification	Emoluments	Age	Duration
1.	Project Scientist II (Ecologist) OR Project Scientist I (Ecologist)	One	Essential Qualification: (i) Doctoral Degree in Wildlife Science/ Botany/ Zoology/ Forestry/ Life Science/ Agriculture/ Environmental Sciences from a recognized University, (ii) Minimum three (03) years relevant experience post PhD. OR Essential Qualification: Doctoral Degree in Wildlife Science/ Botany/ Zoology/ Forestry/ Life Science/ Agriculture/ Environmental Sciences from a recognized University.	Rs. 67,000 + HRA Rs.56,000+HRA	40 35	12 months

S.No.	Name of Post	Number of post	Qualification	Emoluments	Age	Duration
			Desirable qualification (DQ): Desired Qualifications: Demonstrated experience/ aptitude in a) spatial analysis and ecological modelling, b) statistical analysis, c) project design and coordination of multi-disciplinary project team and field data collection c) research publications in peer-reviewed national/ international journals.			
2.	Project Scientist II (Remote Sensing and GIS) OR Project Scientist I (Remote Sensing and GIS)	One	Essential Qualification: (i) Doctoral Degree in Wildlife Science/ Botany/ Zoology/ Forestry/ Life Science/ Agriculture/ Environmental Sciences/Remote Sensing GIS/Geoinformatics from a recognized University, (ii) Minimum three (03) years relevant experience post PhD. OR Essential Qualification: Doctoral Degree in Wildlife Science/ Botany/ Zoology/ Forestry/ Life Science/ Agriculture/ Environmental Sciences from a recognized University. Desirable qualification (DQ): Demonstrated experience/ aptitude in a) ESRI products (ArcMap and ArcGIS Pro), b) spatial analysis and ecological modelling, c) management of spatial database, Remote Sensing and GIS analysis, d) statistical analysis, e) report writing and f) research publications in peer-reviewed national/ international journals.	Rs. 67,000 + HRA Rs.56,000+HRA	40 35	12 months
3.	Project Scientist II (Herpeto fauna) OR	One	Essential Qualification: (i) Doctoral Degree in Wildlife Science/ Botany/ Zoology/ Forestry/ Life Science/ Agriculture/ Environmental Sciences from a recognized University, (ii) Minimum three (03) years relevant experience post PhD. OR	Rs. 67,000 + HRA	40	12 months

S.No.	Name of Post	Number of post	Qualification	Emoluments	Age	Duration
	Project Scientist I (Herpeto fauna)		<p>Essential Qualification: Doctoral Degree in Wildlife Science/ Botany/ Zoology/ Forestry/ Life Science/ Agriculture/ Environmental Sciences from a recognized University.</p> <p>Desirable qualification (DQ): Desired Qualifications: Demonstrated experience/ aptitude in a) Herpeto fauna survey methodology and data analysis, spatial analysis and ecological modelling, b) statistical analysis, c) project design and coordination of multi-disciplinary project team and field data collection c) research publications in peer-reviewed national/ international journals.</p>	Rs.56,000+HRA	35	
4.	Principal Project Associate (Genetics)	One	<p>Essential Qualification: (i) Master's Degree in Wildlife Science/ Botany/ Zoology/ Forestry/ Life Science/ Agriculture/ Environmental Sciences/Animal Genetics/Biotechnology from a recognized University, (ii) Minimum eight (08) years relevant experience.</p> <p>OR</p> <p>(i) Doctoral Degree in Wildlife Science/ Botany/ Zoology/ Forestry/ Life Science/ Agriculture/ Environmental Sciences/Animal Genetics/Biotechnology from a recognized University, (ii) Minimum four (04) years relevant experience post PhD.</p> <p>Desirable Qualification (DQ): Demonstrated experience/ aptitude in a) Wildlife genetics, DNA extraction, PCR, genetic data analysis software, knowledge of GIS, Statistics, report writing.</p>	Rs. 49,000 + HRA	40	12 months

S.No.	Name of Post	Number of post	Qualification	Emoluments	Age	Duration
5.	Senior Project Associate	Three (Ecology; Environment Pollution, and Plant Ecology)	<p>Essential Qualification: (i) Master's Degree in Wildlife Science/ Botany/ Zoology/ Forestry/ Life Science/ Agriculture/ Environmental Sciences from a recognized University, (ii) Minimum four (04) years relevant experience.</p> <p>OR</p> <p>(i) Doctoral Degree in Wildlife Science/ Botany/ Zoology/ Forestry/ Life Science/ Agriculture/ Environmental Sciences from a recognized University, with relevant experience.</p> <p>Desirable qualification (DQ): Desired Qualifications: Demonstrated experience/ aptitude in a) Animal and Plant ecology; vegetation quantification, environment pollutant analysis; survey methodology and data analysis, spatial analysis and ecological modelling, b) statistical analysis, c) project design and coordination of multi-disciplinary project team and field data collection c) research publications in peer-reviewed national/ international journals</p>	Rs. 42,000.00	40	12 months
6.	Project Associate II	Six (Ecology; Environment Pollution, Plant Ecology, Herpeto fauna, Remote Sensing and GIS)	<p>Essential Qualification: Masters' Degree in Wildlife Science/ Botany/ Zoology/ Forestry/ Life Science/ Agriculture/ Environmental Sciences and two years of experience relevant field</p> <p>Desirable qualification (DQ): Demonstrated experience/ aptitude in a) Animal and Plant ecology; vegetation quantification, environment pollutant analysis; survey methodology and data analysis, spatial analysis and ecological modelling, b) statistical analysis, c) project design and coordination of multi-disciplinary project team and field data collection c) research publications in peer-reviewed national/ international journals</p>	Rs. 35,000.00	35	12 months

S.No.	Name of Post	Number of post	Qualification	Emoluments	Age	Duration
7.	Laboratory Assistant	One	<p>Essential Qualification: B.Sc. or Masters' Degree in Wildlife Science/ Botany/ Zoology/ Forestry/ Life Science/ Agriculture/ Environmental Sciences/Biotechnology with experience relevant field</p> <p>Desirable qualification (DQ): Demonstrated experience/ aptitude in a) Laboratory Analysis techniques and collection of field samples from the study area</p>	Rs.20,000.00	50	12 months
8.	Consultant (Wildlife Ecology)	One	<p>Essential Qualification: Superannuated Scientist/Forest officers with experience in wildlife ecological research/Forest/Wildlife management planning/EIA/Rail Ecology</p> <p>Desirable qualification (DQ): Demonstrated experience/ aptitude in a) Animal ecology; road ecology, survey methodology and data analysis, spatial analysis and ecological modelling, b) statistical analysis, c) project design and coordination of multi-disciplinary project team and field data collection c) research publications in peer-reviewed national/ international journals</p>	The emolument will be Rs.5000/day	70	240 days/year
9.	Consultant (Geologist)	One	<p>Essential Qualification: Superannuated Scientist specialized in Geology with experience in impact assessment due to development on geology of landforms</p> <p>Desirable qualification (DQ): Demonstrated experience/ aptitude in a) Geology, geomorphology; impact assessment due to developmental project on geomorphology of landscape, (b) coordination of multi-disciplinary project team and field data collection and c) research publications in peer-reviewed national/ international journals</p>	The emolument will be Rs.5000/day	70	120 days/year

S.No.	Name of Post	Number of post	Qualification	Emoluments	Age	Duration
10.	Consultant (Soil Scientist)	One	<p>Essential Qualification: Superannuated Scientist specialized in Soil Science with experience in impact assessment due to development on soil properties of forest landscape</p> <p>Desirable qualification (DQ): Demonstrated experience/ aptitude in a) assessment of soil properties and characteristics of forest landscape, impact assessment methodology due to developmental project on soil properties of forest habitat, (b) coordination of multi-disciplinary project team and field data collection and c) research publications in peer-reviewed national/ international journals</p>	The emolument will be Rs.5000/day	70	120 days/year
11.	Consultant (Environmental Pollution)	One	<p>Essential Qualification: Superannuated Scientist specialized in Environmental Pollution with experience in impact assessment due to development on environment pollutants</p> <p>Desirable qualification (DQ): Demonstrated experience/ aptitude in a) Environment Pollution and impact assessment due to developmental project on environmental pollutants in forest landscape (b) coordination of multi-disciplinary project team and field data collection and c) research publications in peer-reviewed national/ international journals</p>	The emolument will be Rs.5000/day	70	120 days/year

General Terms and conditions:

1. The selection of the candidates will be in accordance with the performance in the interview and in order of merit as decided by the Interview Committee. All original documents should be produced at the time of interview. The decision of the Institute's Committee in all matters relating to eligibility, work experience, acceptance or rejection of application will be final and binding on the candidates and no enquiry or correspondence will be entertained from any individual.
2. The candidates are required to submit their completed application forms in PDF format, with accompanying attachments by email (with subject line: **Application for the post of _____** in the Project **"Cumulative Environment Impact Assessment on wildlife habitat and ecological values due to proposed doubling of railway track from Tinaighat to Kulem in the northern Western Ghats"** to registrarpr@wii.gov.in not later than **1700 hrs on 20th September 2022**. A hard copy of the application along with attachments with above subject line should be sent to **The Registrar (PR), Wildlife Institute of India, Chandrabani, Dehradun 248001, Uttarakhand** by post which should reach the Institute upto **1700 hrs on 20th September 2022**.
3. Application forms needs to be typed according to the prescribed format and must be accompanied by self-attested: (a) Scanned copies of educational qualifications, and (b) Scanned copies of experience letter/ certificates, etc., failing which applications will not be considered.
4. Candidates can apply for multiple positions if eligible. Please make separate applications for different posts.
5. Shortlisting of application for online interview of applications will be based on essential qualification, age limit, NET/ GATE qualification, percentage of marks in bachelor's and Master's, specialization relevance in Masters, research experience (Publications, Paper Presented in Workshops/ Seminars/ Symposiums/ Conferences), SOP and extracurricular activities (as per WII rules).
6. **The applications received will be rejected by the Institute, if (i) receive after the deadline, (ii) not in prescribed application format or (iii) self-attested documents of qualification, date of birth & experience not attached or (iv) received without said subject line in e-mail/ post.**
7. Mere fulfilment of the minimum advertised qualification and experience requirement DOES NOT automatically entitle an applicant to be called for online interview. The decision of the Institute in all matters relating to eligibility, acceptance or rejection of application, mode of selection will be final and binding on the candidates and no enquiry or correspondence will be entertained from any individual or his / her agency.
8. All the steps of the recruitment process will be conducted by a duly constituted Selection Committee. However, if the number of applications received for a particular post(s) is large, then Institute reserves the right to lay down any criteria for the purpose of short listing of the candidates for interview
9. All original documents/certificates must be produced at the time of joining for necessary verification.
10. At the time of the verification of original documents or even after selection, if it is found that an attempt has been made by the applicant to willfully conceal, misrepresent, or canvass the facts, such applicant will not be considered for selection and due action will be taken.
11. Relaxation in upper age limit shall be allowed in accordance with the Government of India, Ministry of Personnel, Public Grievances and Pensions (Department of Personnel & Training) OM No.1501282/2010-Estt. (D) dated 27.03.2012 as amended from time to time. However, the categories of upper age relaxations are as follows: a. Scheduled Castes and Scheduled Tribes up to 5 years. b. Other Backward Class (OBC) up to 3 years.

12. The positions advertised are purely temporary/ contractual for the project period only and will stand abolished after completion of the project.
13. The tenure in the project will be governed by the Institute's rules and regulations.
14. After announcement of the results, the candidate should join the project within 15 days of selection.
15. The Director WII reserves the right to reject any candidature in view of incomplete information provided by the candidate or for any other reason thereof. Registrar Wildlife Institute of India.

1. Personal Information:

a	Post applied for and/or Serial Number, name of project, advertisement No.	
b	Name of the applicant	
c	Current designation	
d	Caste (SC/ ST/ OBC)	
e	Current pay scale	
f	Father's/Husband's Name	
g	Date of birth (attach proof)	
h	Contact details	Communication address
		email
		phone number

2. Educational qualifications (from Bachelor's Degree onwards). Attach self-attested copies of marksheets and degree certificates:

Degree/Diploma	Name of the Institution/ University	Passing year	Grade**/ Division	% of marks	Main subjects

****Please provide grade equivalence to percentage of marks, if any.**

3. Details of experience in relevant fields (Attach self-attested copies of experience letter/ certificate):

Sl. No. #	Name of Institute/ Organization/ Department	Designation	Period		Monthly Emoluments drawn
			From	To	

4.a) Details of Publications (please attach separate sheet if needed):

Category	Number
(1) Peer-reviewed journal articles	
(2) Technical/ Research Reports	
(3) Books/ Book Chapters/ Manuals	
(4) Others	

4.b) Details of Projects/ work experience (please attach separate sheet if needed):

#Sl. No. in Section 3	Projects	Nature of duties (Roles and responsibilities held by the applicant)

5. Professional/ Academic Referees (optional):

(Please provide name, affiliation, designation and contact details of 1-2 Referees)

6. Any other relevant information (optional):

Declaration by the Applicant

I hereby declare that all the particulars stated in the application and enclosures are true to the best of my knowledge and belief.
